Crossing Patrol

Unfortunately the most recent crossing patrol attendant has resigned from her post. Please, whilst the local highways agency find a replacement, can parents, carers and children be extra vigilant during at the beginning and the end of day and can all car owners make sure they do not park on the yellow lines.

Attendance

Here is a useful guide to highlight how much time could be missed over 5 years if a child's attendance is consistently lower than 95%. Evidence shows that children who have better attendance make more progress during their school careers.

Attendance %	How much time is missed each week / fortnight	How much time is missed each year	How much time is missed over 5 years
95%	1/2 day fortnightly	2 weeks	1/4 year
90%	1/2 day weekly	4 weeks	1/2 year
85%	1 1/2 day fortnightly	6 weeks	3/4 year
80%	1 day weekly	8 weeks	1 year
75%	2 1/2 days fortnightly	10 weeks	1 1/4 years
70%	1 1/2 days weekly	12 weeks	1 1/2 years
65%	3 1/2 days fortnightly	14 weeks	1 3/4 years
60%	2 days weekly	16 weeks	2 years
55%	4 1/2 days fortnightly	18 weeks	2 1/4 years
50%	2 1/2 days weekly	20 weeks	2 1/2 years

Excellent Progress

This week national data was produced to show that our school is placed in the top 20% of schools in the country based on the amount of progress our children make from Reception to Year 6. We are extremely pleased with this news and very proud of all the children who work incredibly hard to achieve fantastic results – well done.

Thank you to all the staff who work extremely hard to help children achieve to the best of their abilities.
